

ASR ACTIVE SHOOTER RACK

The PROJECT7 **ACTIVE SHOOTER RACK** (ASR) is a minimal coverage platform designed to provide rapid donning Hard Armor protection for a variety of professional users. Built to carry 10"x12" hard armor plates, the ASR utilizes a one size fits all design and wide range of adjustability to ensure proper fit for a wide variety of body types.

KEY FEATURES

Key features for **ASR** include:

- Adjustable Shoulder Straps allowing for a correct fit
- Integrated anti-slip shoulder surfaces, which allows for better weapon retention
- Kangaroo Style Front Pocket System allowing for gear to be carried in an internal pouch with divider inserts, while leaving MOLLE surfaces available for pouches
- Bottom loading plate pockets designed to prevent plate bouncing
- Webless or Traditional MOLLE/PALS load bearing surfaces
- Drag Strap to facilitate quick rescues
- Integrates with the PROJECT7 ASR-BAG for storage and carrying
- Lightweight and Compact design

ASR ACTIVE SHOOTER RACK

The PROJECT7 **ASR BAG** is the ultimate carrying system for an active shooter kit. Built to carry the P7 Active Shooter Rack (ASR) or other similarly sized plate racks, the ASR-BAG provides compact carrying and in-car storage for all of your active shooter response gear.

KEYFEATURES

Key features for **ASR BAG** include:

- External webless MOLLE surfaces for the installation of additional pouches or medical kits
- External M4 magazine pouches, holding up to FOUR magazines
- Large main compartment built to carry a fully loaded plate rack, and allow immediate access
- Large helmet/gas mask pouch that lays flat when not in use but is large enough to carry a ballistic helmet or gas mask

The PROJECT7 **ASR KIT** is a ready to deploy active shooter response solution. The ASR KIT contains a full active shooter armor solution and is easily stored in a vehicle for rapid deployment.

KEYFEATURES

Key features for **ASR KIT** include:

- Active Shooter Rack (ASR)
- Two Level IV Rifle Plates
- Kangaroo Magazine Pouch
- ID Patches
- Optional Ballistic Helmet
